

*We are pleased to announce that **Lisa M. Schultz** has joined **ConopCo Project Management** as **Business Development Manager**.*

**Lisa is responsible for developing business expansions for the firm. Her responsibilities in this role include increasing market share, increasing industry awareness of the project management role, launching marketing campaigns, and building and maintaining professional client relations. Lisa not only supports ConopCo's business development ventures, but is also an added resource to our partners and team members in the industry.**
